

# 5 SENSES SCAVENGER HUNT

RECOMMENDED FOR AGES 7+

Put your observation skills to the test as you use all five senses to explore the park!

## SIGHT

- Find something transparent (you can see through it)
- Find something with a complex pattern
- Find something smaller than your fingernail
- Find five of the same item

## TOUCH

- Find something bumpy
- Find something warm
- Find something soft
- Find something wet

## SOUND

- Find something that snaps when you bend it
- Find something that crunches
- Find three different animal sounds
- Find something to make music with

## TASTE

- Find something humans could eat
- Find something an animal could eat

## SMELL

- Find a flower with a bold floral scent
- Find a smell you like and tell your group why you chose it

Please help us follow *Leave No Trace* principles by leaving what you find, respecting wildlife habitats, and being considerate of all guests.
